

EARTH DAY ARTS & CLIMATE FAIR

APRIL 20TH ~ 10AM-2PM

UNITARIAN SOCIETY OF NORTHAMPTON & FLORENCE

THIS EARTH DAY, IT'S TIME FOR ACTION!

Join us April 20th for an Earth Day Arts and Climate Fair as we name the changes we see in the world around us and celebrate the solutions at hand in our community if we are able to act together.

The Fair will include:

- an Art Pulse for the Rights of Nature Parade
- a Mothers* Rebellion (Knitting) Circle
- a Climate Chorus Sing-a-Long
- the 3.5% art installation
- and the chance to talk to many local climate groups about action and solutions!

Sponsored by Extinction Rebellion Western Massachusetts, the Enviro Show & Western Massachusetts Rights of Nature.
